on select pattern
to help visualize
format.

Easy set-up

- Able to adapt to an evolving product line
- Only one tool required for set-up
- Mix of product custom tailored to each market

Easy maintenance

- Sample sizes designed to fit only in their individual category—keeping the display neat and organized over time
- Page frames minimize the potential of samples falling out vs. a traditional waterfall-style display
- Pages and graphics can be altered as styles change—no need for a new display every few years—just a refresh. Maximizes your investment!
- Take home samples available at nominal cost

Removable samples slide
in and out effortlessly,
allowing you to offer
customers a closer look.

Product	Footprint	Total Wall Space Required	Samples
90" UltraFlex	90" wide at base x 30" deep x 90" tall	102 - 108"	76
